- ✓ Certificate of Indian Status (Status Card)
- ✓ Any document issued by the Government of Canada, Ontario or an Ontario municipality, or by an agency of such a government

OPTION 4 (FOR USE ONLY BY THE LRO):

Where a person is unable to produce satisfactory proof of identity as described above, the LRO (and **only** the LRO) has a narrow discretion to issue a ballot to that person if all the following criteria are met:

1. The LRO must be satisfied that the person has a good reason for his or her inability to produce satisfactory proof of identity;
2. If the person joined the Association using a paper form (i.e. not online), then the LRO must be satisfied that a sample signature from the person obtained on the spot is substantially similar to the signature on the membership form; and
3. On the basis of any additional inquiries the LRO considers it appropriate to make of the person or of others, the LRO is satisfied, to the point of certainty, that the person is in fact who he or she claims to be.

If the LRO has any doubt at all as to the qualifications of the individual, a ballot must not be issued.

ADDITIONAL REQUIREMENT FOR STUDENT CLUBS ONLY

In order to be eligible to vote, members of student clubs must prove that they are registered with the post-secondary institution in order to be given a ballot. Acceptable proof of registration includes a school identification card or a schedule printout with name and student number, showing that they are registered at the educational institution at the time of the vote. The LRO for a campus club meeting has the discretion to permit other means of proof, in accordance with the practices of that institution.
