Jason Veltri - Executive Vice-President

Jason is a dedicated, hardworking community organizer and passionate activist for Human Rights. For many years, Jason has been focused on making life better and more inclusive for Equity Seeking, Indigenous and Racialized communities. Jason's true passion is working for those who are still the most marginalized in the community.

Jason has worked tirelessly to build a community of which we can all be proud. His advocacy for inclusion and acceptance in Thunder Bay has been broad and has included many partners in the public and private sectors. Jason founded the Rainbow Collective of Thunder Bay, so that local businesses and organizations had the training and tools needed to better understand and build inclusive spaces for the 2SLGBTQIA+ communities.

Jason has been a very active member of the Liberal Party, both provincially and federally. He has been a member of the Federal Riding Association executive since 2016, supporting Patty Hajdu, and helped support the rebuilding of the Thunder Bay-Superior North EDA through increased fundraising activities, and community engagement, Days of Action, and election readiness.
