## **Biographies**

### **Patricia LeFebour - President**

Don Valley North is a riding I grew up in and where I moved back over 10 years ago. I am involved in the PLA and the federal EDA, where I serve as Policy Chair. In my current employment, I work for the Hon. Rob Oliphant, MP-DVW.

This is a challenging but exciting time to be a member of the OLP. We will be choosing a new leader and will have much to do to come back from third place in the Legislature. I would like the opportunity to continue to serve as President, to support Jonathan Tsao in the next provincial election and to increase our PLA's outreach and visibility in the riding.
