The president of the constituency association shall provide a copy of the Leader's notification or otherwise announce the Leader's decision to the executive committee of the association and to any person known to the president to be considering seeking the nomination, within three business days of receiving such notification.
- c) Except where an incumbent member has indicated an intention not to seek re-election, no candidate other than the incumbent member shall be appointed in any electoral district represented by such person in the Legislative Assembly. In the event that the boundaries of an electoral district have been readjusted pursuant to the *Representation Act, 2015*, an electoral district shall be deemed for the purposes of this provision to be represented by an incumbent member who declares their intention to seek election in that electoral district in the next general election. Such declaration shall be made in writing to the Nomination Commissioner, with a copy to be provided to the president of the affected constituency association. - 11.12.7 In the event of a tie between nomination contestants, the tie shall be broken in favour of the nomination contestant receiving the most first preference votes, if possible, or otherwise by the toss of a coin.
